Hugo Rogmark  
Stora Tomtegatan 30A  
223 51 Lund  
Sweden

## About me:

I am a guy from Bjärred, Sweden that is completing my game programming education at The Game Assembly in Malmö, Sweden. I believe good games come from good team spirit so I try my very best to improve and keep up morale to allow the teams joy to be transferred into the project at hand.

## Education:

### **The Game Assembly Malmö - Higher Vocational Education 2019-2022**

- 8 game projects total with different themes and restrictions. 2 in unity and 6 in C++.
- Developed our own C++ 3D engine.
- 2 years of daily C++ programming.
- Courses in WPF for tool development.

### **LBS Lund - Senior High School 2015-2018**

- Senior High School STEM program with focus on game design and development.
- Programmed in C#, Windows Forms and Gamemaker.

## Previous work experience:

### **Homecare personal assistant Summer 2020**

- Assisted people from all walks of life. Requiring me to connect and understand people despite differences in age or background.
- Demanded flexibility and quick thinking for problem solving as my schedule could change at any time.
- Responsible for dispensing correct medication and dose, requiring focus and thoroughness.

### **Substitute in Lomma county September 2018 - July 2019**

- Substituting for teachers in all years in primary school, special needs teacher, groundskeeper and kitchen staff.
- Daily shifting schedule required me to stay flexible and keep on my toes.
- Gained insight and respect for all professions roles required in making a school function smoothly.

## Volunteer work:

### **Various positions within the student orchestra AMC Bleckhornen December 2017 - Current**

- Currently playing in a student orchestra in Lund.
- Been responsible for handling transactions and economics.
- Managed the orchestras Public Relations group.
- Co-managed the trombone section, coordinating a group of 10-15 people.
- Currently in the event-planning group, requiring planning, coordination and budgeting.
